How to use

1. Unfold GEYOTO YP35-01-EC Portable Solar Panel for maximum charge, adjust the solar panel and align it directly under the sun.

2. Charge your phones and tablets using the USB-A port or USB-C port.

Safety instructions

1. Keep your phones and tables out of direct sunlight. Excessive heat may cause damage.
2. Light intensity will affect charger output. Bright sunlight provides optimum charging conditions.
3. Avoid dropping.
4. Do not disassemble.
5. For the safest and fastest charge, use original or certified cables.
6. Open flame sources, such as candles, must not be placed on this product.
7. Only use a dry cloth or brush to clean this product.
